

Lincoln County Georgia

Office of the

Tax Commissioner

Mission Statement:

The Tax Commissioner's office serves the Citizens of Lincoln County directly in many ways. Our mission is to serve the taxpayers as efficiently and courteously as possible.

It is the responsibility of the Tax Commissioner to bill, collect and disburse advalorem tax for the state, county, school, industrial authority, court expense and city. This office is audited once a year by both the county and state auditor.

The types of taxes collected are real (real estate) and personal property (boats, motors, and airplanes), business personal property, timber, heavy duty equipment, mobile home, and motor vehicles.
