Timber Sale Type: Lump Sum Unit/Load Owner harvest

Please attach/draw a map to identify (1) tract location, and (2) point (s) ingress and egress from public road(s). Include identified points of reference, such as streams, public roads, right of ways, landmarks, map/parcel number, distances, etc. to ensure county acknowledgement and understanding of location.

I hereby certify that I have read and examined this notice/application and know the same to be true and correct. I understand and acknowledge that the granting of a timber harvesting permit does not waive the provisions of any state or local law or ordinance regarding timber harvesting operations, or soil erosion management regulations or practices. I certify that I have been informed of the policies and requirements regarding timber harvesting operations in Lincoln County and agree to abide by same.
